

MEDIAJET *vario* - The most versatile Petri dish filler available

Convertible dish filler for processing Ø 60 or 90 mm Petri dishes
Stageless adjustment of dish height between 12 and 25 mm

MEDIAJET *vario* - The most versatile Petri dish filler available

MEDIAJET *vario* is the new generation of automated Petri dish filler from INTEGRA Biosciences, further expanding the functionality of the successful platform MEDIAJET. In only five minutes, MEDIAJET *vario* can be converted from filling Ø 90 mm dishes to fill Ø 60 mm dishes, providing invaluable flexibility to your media preparation lab.

Beside this new functionality, it includes all the well received features of the standard MEDIAJET:

- Easy and self-explanatory handling via the intuitive graphical user interface
- Reliable walk-away automation with the novel feed-in and stack-out technology
- Increased filling capacity of up to 540 dishes in a single batch
- Stageless adjustment of the dish height between 12 and 25 mm at the software level
- Compatibility with all standard MEDIAJET accessories, like the INKJET printer for automated dish imprinting or the TUBEFILLER for filling of test tubes

Ordering information

	Description	Unit	Part No.
Base units	Requires additional purchase of a conversion set, rotor and carrousel listed below		
	MEDIAJET <i>vario</i> , base unit only (convertible for various Petri dish sizes)	1	113 000
	MEDIAJET <i>vario</i> , with cooling option, base unit only	1	113 001
Conversion Sets	Comprising the adaptation insert, head plates for feeder and stacker piston and 1 tubing set for corresponding Petri dish size		
	Conversion set for Ø 90 mm Petri dishes for MEDIAJET <i>vario</i>	1	113 051
	Conversion set for Ø 60 mm Petri dishes for MEDIAJET <i>vario</i>	1	113 052
Carrousels and Rotors			
	Carrousel for Ø 90 mm Petri dishes, capacity of 360	1	103 020
	Carrousel for Ø 90 mm Petri dishes, capacity of 540	1	103 021
	Carrousel for Ø 60 mm Petri dishes, capacity of 360	1	113 020
	Rotor for Ø 90 mm Petri dishes	1	103 271
	Rotor for Ø 60 mm Petri dishes	1	113 271
Accessories			
	Tubing set for Ø 90 mm Petri dishes, including 1.5 m silicone tubing and filling nozzle	1	103 030
	Tubing set for Ø 60 mm Petri dishes, including 1.5 m silicone tubing and filling nozzle	1	113 030
	Filling nozzle for Ø 90 mm Petri dishes	1	103 032
	Filling nozzle for Ø 60 mm Petri dishes	1	113 032
